

Provides 1/2.5/5Gbps Multi Gigabit High-Speed High Compatibility and Compact Size Design

30Watt 1/2.5/5Gbps Multi Gigabit PoE+ Injector

The **POE-MG30** compatible with **IEEE 802.3af/at standard**, and Power over Ethernet Injector provides **DC 48-57V** over Ethernet cables. **POE-MG30** greatly simplifies the wiring and deployment process, and brings a great deal of convenience benefits to home, office, and industrial environments. **Provides 1/2.5/5Gbps Multi Gigabit RJ45 Ethernet** to meet current and future network needs.

Cost Saving, Convenience in Network Planning Simple Plug and Play & Highly Reliable

30Watt 1/2.5/5Gbps Multi Gigabit PoE+ Injector

CERIO
Amplify your Wireless Network

Supports End-span (Type-A) or Mid-span (Type-B) power pin designed

- ✓ Auto detect PD power supply is powered by **End-span (Type-A)** or **Mid-span (Type-B)** power pin, and LED indicators for Power function enable.

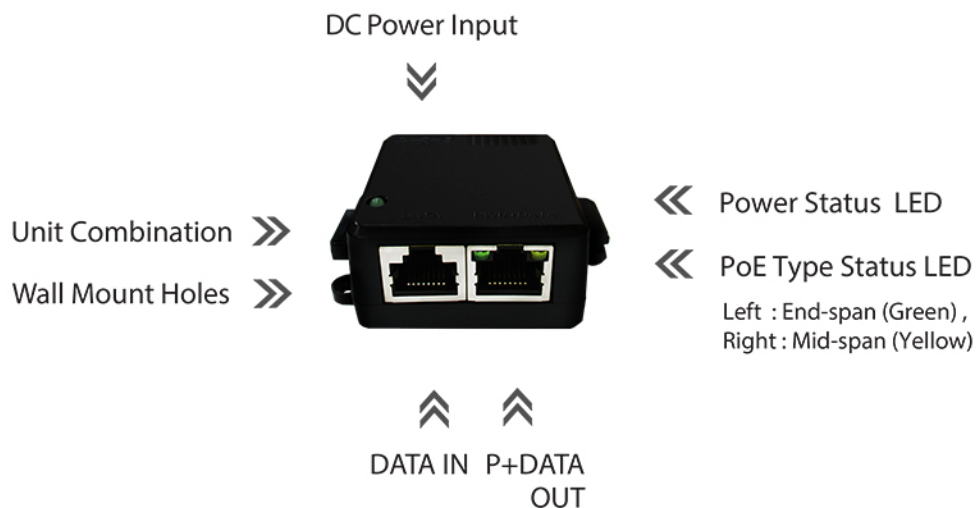

Easy to use, Save on installation and equipment costs

- ✓ Plug-and-Play, requires no configuration. Easy install PoE devices where a power outlet is not available.

Supports Units Combination for Easy to Bundles Organize the Ethernet Cables

Product Overview

Dimension (W x D x H): 65 x 52 x 28 mm
Weight (g): 43g
