## Warranty Policy

### CERIO Corporation product warranty services

If the product is damaged or has developed malfunctions not caused by human error, If you require technical support information, please visit our web site at : <http://www.cerio.com.tw>

### Warranty period

CERIO Corporation (CERIO) provides two years warranty services, all products will carry 1 years warranty service free of charge and one year limited warranty with charge. (International Regional)

**Please note :** Warranty for hardware does not include any consumables, second-hand products, wires, batteries, new clearance products, power adapter, accessories and cables etc.

**The warranty does not apply to any of the following (servicing charges are based on standard rate published by the company) :**

- (1) Damages caused by accident, overloading, misuse, improper use or other types of damage not related to CERIO product quality or design.
- (2) The machine is damaged by unforeseeable natural disasters (flooding, fire hazard, earthquake, typhoon or thunder) or causes due by human error.
- (3) Attempt to open product, dismantle, attach other items or unauthorized retrofit from CERIO.
- (4) Consumables or components or the product warranty is outdated.
- (5) Serial number on the CERIO product or component has been removed or damaged.
- (6) Claims without presenting a warranty policy, or if presented but the warranty policy is not properly marked with the date of purchase, stamped by the dealer or shop or the marked information has been tempered with.

### CERIO Corporation servicing center

#### Warranty services

If any product fault has developed during the active warranty period and is confirmed by CERIO technicians, CERIO will repair the product directly or replace it with a brand new or refurbished unit. Devices outside the active warranty period can be repaired at a cost, with an additional 90 Day warranty period added following the repair. After any product or component replacement, the new device or component becomes the personal property of the customer, whereas the replaced item become the property of CERIO.

When sending devices by post or courier for servicing, the customer is responsible for packing the product properly and paying the shipping fee. Customers can bring the faulty item in person to the authorized dealer where the device was purchased. Customers may also bring the product directly to our service department (only applicable in Taiwan) for testing and servicing. For more information regarding our warranty and service policy, please visit our website at <http://www.cerio.com.tw> or e-mail to : support@cerio.com.tw.

Applicable to all hardware products : when sending the product for service, you need to provide :

- (1) Your name, address and telephone number.
- (2) The original copy of warranty certificate where it must be stamped by the dealer and properly marked with the date of purchase and the correct matching serial number.
- (3) If the warranty certificate has not been stamped by your local dealer, you may present the original till receipt where it is clearly printed with details of the product. If you are unable to provide the above information, CERIO will regard the warranty period to start from the date of dispatch from the factory before any service takes place.

**Attention :** for customers claiming for company services, it is advised to backup any information stored in the product to be serviced. We are not responsible for any damage or loss of data stored in the unit; these will not be covered in the warranty.

### Disclaimer

- We will not be responsible if it is believed the damage is caused by the customer, or other personnel, deliberately, or by accident.
- We will not be responsible for any loss caused by continuous use or inability to use the product (for example : interruption of business, loss of profits, contents in the memory module changed or disappeared etc.).
- We will not be responsible for costs due to damage other than repairs to CERIO products. Any damage or malfunction caused to other machines linked to CERIO products is not cover by this warranty.
